

PAPER

Paper options are endless! But, they can be one of the most fun choices you make about your invitations. Paper comes in all sorts of textures. Here are a few popular choices in white and cream/ivory.

SMOOTH

White

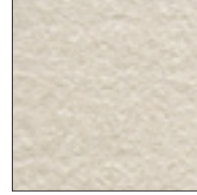

Ivory

Smooth papers are just that: smooth. They have a very clean feel without any bumps or texture.

PEARLIZED

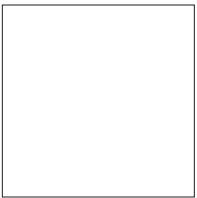

White

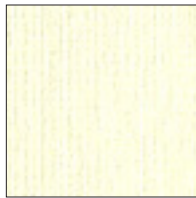

Cream

Pearlized papers are metallic looking. They have a sheen. Pearlized come in a smooth or textured finish.

LINEN

White

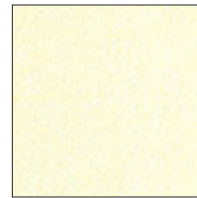

Ivory

Linen is light and airy, perfect for a spring or summer wedding. It feels smooth to the touch but looks brushed.

ENVIRONMENTAL

White

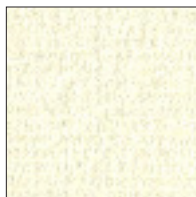

Ivory

Environmental papers look very natural. You can get smooth or textured and they are made out of recycled materials.

LAID

White

Ivory

Laid really makes a statement. It looks like strips have been laid one on top of another. It feels very textured.
